

## REFERENCE LETTER

## for Captain Ivaylo Ovanes

Master of 50m MY Fly Me to the Moon in end of summer 2017

## TO WHOM IT MAY CONCERN

Dear Sir/Madam.

YPI, as managers of MY Fly me to the Moon, confirm that Captain Ivaylo Ovanes joined the 50m Bilgin build (2012) MY Fly Me to the Moon in Yacht Club de Monaco without handover from his predecessor, to lead the newly formed international crew on-board and become a strong team bond for completing the high Med season 2017. Ivaylo and his crew had been kept busy with regular high-demanding Owner & Guests presence on-board, busy weekend trips and anchor stays through Monaco and French busy coastal waters.

During his time on-board, Captain Ivaylo Ovanes showed professionalism, flexibility and good cooperation with Owner's office staff along with regular liaison with YPI management team. Our work together was well productive and fruitful throughout his command of MY Fly Me to the Moon. I am looking forward to working with Ivaylo again and am pleased to recommend him to future employers as a reliable, cooperative and well established Master and crew mentor.
