APPRECIATION LETTER

to Captain Ivaylo Chividzhiyan

Master of 48m Heesen built MY Let It Be

I would like to take this time to express my satisfaction and appreciation by the way MY Let it be was presented on both Cannes and Monaco yacht festivals under the captaincy of Mr. Ivaylo Chividzhiyan – MCA Master Mariner with many sea miles under his belt and valuable qualifications.

Joined just 3 weeks before the Cannes boat show with no handover from his predecessor captain Ivaylo managed within this short notice to organize the multi-national crew as a good team and bring the yacht up to a standard for her best presentation before potential buyers and brokers on the shows.

I am herewith expressing my gratitude for the great job done and recommending Ivaylo as a very organized crew and yacht manager and a great asset to any Owner and Yacht/Crew in his career.
