

## REFERENCE LETTER

for Ivaylo Chividzhiyan - the Chief Officer on-board MY Agatha (April - October 2009)

*to whom it may concern*

It gives me a great pleasure to introduce Mr. Chividzhiyan who served on-board 40m Ferretti Motor Yacht Agatha in the capacity of Chief Officer and assistant Engineer in the high season of 2009.

The intention of this letter is to articulate the great contribution Mr. Chividzhiyan had made to the guests, company, crew and vessel with his professionalism in executing his assignment duties and tasks on-board.

Mr. Chividzhiyan is a very well University educated and many years experienced MCA Captain unlimited certificate holder showed as very organized, punctual and motivating team mate. He was equally active and helpful in organizing and providing his skills for both the exterior, ISM, ISPS maintenance and checks, and Engine room assistance too. He never hesitated to run across from Department to Department wherever a job needed to be helped or done.

I have known Ivaylo both on personal and professional level over this period. He performed his duties with expertise and attention to the detail. He is a honest, reliable and hard working person. His attitude towards Guests and Owner was at very high standards. His skills, energy and leadership qualities will be, without a doubt, an asset to any owner and guests on-board.

I have no hesitation in recommending Mr. Chividzhiyan for any future position aboard a fine Yacht or any pleasure craft in this demanding Industry.
