

Rabdan

ABU DHABI

M/Y Rabdan
Yas Marina,
Abu Dhabi,
United Arab Emirates.

1st of November, 2010

To Whom It May Concern,

Reference for Ivaylo Chividzhiyan

This is to certify that Ivaylo Chividzhiyan served as Chief Officer on the Royal Family motor yacht "Rabdan" from 24th of March, 2010, to my leaving the yacht on 1st of November, 2010. During this time MY "Rabdan", a 73 meters passenger classed vessel, did trips in UAE waters while remaining stand-by on short notice.

Ivaylo has proven himself to be an excellent Chief Officer, who had to perform his duties in difficult circumstances. Joining the yacht after the entire crew had been dismissed, he had to learn the vessel, create and incorporate routines and systems from scratch & without assistance.

Apart from the routine Chief Officers duties as Safety, Security, Environmental Officer and a Head of the Deck department of four crew, Ivaylo has assumed the command of the vessel on several occasions while captains absent. All of his tasks have been performed to my utmost satisfaction.

His professionalism and dedication is outstanding as well as being meticulous in everything he does.

Moreover, he is a good character, being cheerful, personable, helpful & good company.

I wish him well in whatever he may choose to undertake.

Yours faithfully,

Stig Lundstrom

Captain, M/Y Rabdan
